

# CALL FOR APPLICATIONS ACE TRAINING DAYS CENTRAL EUROPE

The Central Europe Training Days are organised by **ACE Producers**, and are held at FAMU – Film and TV School of Academy of Performing Arts in Prague.

Scheduled over two-and-a-half days, the Training Days will be provided with the help of ACE consultants who have notably strong track-records in international project financing, sales and online distribution, and who will share their knowledge and international expertise.

The Training Days are designed to meet the needs of upcoming producers, at relatively early stages in their careers, from Czech Republic, Slovakia and Poland. Participation will not be limited to producers with the same high level of experience as is required for the main ACE Producers Training programme.

“The Essentials of International Sales and Online Distribution” will include plenary sessions, group meetings, case-studies and interactive workshops. These will explore international sales, distribution, marketing and festival strategies.

The Central Europe Training Days are organised by ACE Producers and supported by the Czech Film Fund and the Czech Audiovisual Producers Association (APA).
