2. ELIGIBLE APPLICANTS

Applicants must be European cinema / theatrical distributors involved in commercial activity designed to bring to the attention of a wide audience a film for the purpose of exploitation in cinema theatres and whose activities contribute to the attainment of the above objectives.

¹ Regulation No 1295/2013, Official Journal of the European Union of 20/12/2013 (OJ L347/221) and its corrigendum of 27/06/2014 (OJ L189/260)

- EU Member States and overseas countries and territories which are eligible to participate in the Programme pursuant to Article 58 of Council Decision 2001/822/EC;

Proposals from applicants in non EU countries may be selected, provided that, on the date of the award decision, agreements have been signed setting out the arrangements for the participation of those countries in the programme established by the Regulation referred to above.

3. ELIGIBLE ACTIONS

To generate a potential fund and to qualify for reinvestment measures, the film must have been majority produced by a producer/producers established in countries participating in the MEDIA sub-programme and produced with a significant participation by professionals from those countries. The film must be a work of fiction, animation or documentary of more than 60 minutes long and from a different country than the country of distribution.

The film must not consist in alternative content (operas, concerts, performances, etc.) or advertising, pornographic or racist material or advocate violence.

For the film to be eligible its first copyright must not have been established before **2014**.

The Cinema Automatic scheme works in two phases:

EN

1. The generation of a potential fund, proportional to the number of paying admission tickets sold during the reference period (2017) for non-national European films in countries participating in the MEDIA Sub-programme, up to a fixed ceiling per film and adjusted for each country.
2. Reinvestment: the potential fund thus generated by each beneficiary is to be reinvested in:
 - the co-production of eligible non-national European films;
 - the acquisition of distribution rights, for example by means of minimum guarantees, of eligible non-national European films; and/or in
 - the release of eligible non-national European films (promotion and advertising, digitisation and transcoding costs).

The beneficiary will have 24 months to carry out the project.

4. AWARD CRITERIA

A potential Fund will be attributed to eligible European distribution companies on the basis of the eligible admissions achieved by the European non-national films distributed by the applicant in the reference year (2017).

The support will take the form of a potential Fund (the “Fund”) available to distributors for further investments in recent non-national European films.

Within the limit of the budgetary resources available, the potential Fund will be calculated based upon a fixed amount per eligible entry as detailed in the guidelines.

Films with less than 200 eligible admissions in the reference year will not be taken into account in the calculation of the fund. Minimum availability thresholds of the fund have been defined as detailed in the guidelines.

In the event that the fund in a given year does not reach the minimum threshold, the fund will not be available.

Should the sum of generated funds exceed the available budget, each potential fund will be reduced proportionally. This reduction will not affect the eligibility of the potential funds that are reduced below the minimum availability thresholds.

5. BUDGET

The total budget available is EUR 19.000.000.

The financial contribution of the Union cannot exceed 60% of the total eligible costs.

6. DEADLINE FOR SUBMISSION OF APPLICATIONS
