

**HOW TO APPLY –
TV PROGRAMMING
SUPPORT**

The applicant must submit the application in the following way:

STEP 1 – REGISTER/ UPDATE YOUR COMPANY IN THE PARTICIPANT PORTAL

In order to submit an application, applicants must register their company in the Education, Audiovisual, Culture, Citizenship and Volunteering Participant Portal:

<https://ec.europa.eu/education/participants/portal>

The tool also allows applicants to upload different documents related to their organisation. These documents have to be uploaded once and will not be requested again for subsequent applications by the same organisation.

The documents to be uploaded at this stage are:

1. The **legal entity form** duly signed by the person authorised to enter into legally binding commitments on behalf of the applicant (to be downloaded from http://ec.europa.eu/budget/contracts_grants/info_contracts/legal_entities/legal_entities_en.cfm)
2. For private companies: extract from the official gazette/trade register, and certificate of liability to VAT (if, as in certain countries, the trade register number and VAT number are identical, only one of these documents is required).
For public entities: legal resolution or decision established in respect of the public company, or other official document established for the public-law entity.

Please note that the above step (documents 1, 2 and 3) does not apply if the organisation has already a valid PIC. Please assure that the **information given** in the legal entity form (point 1 above) **is recent and coherent** with the supporting documents provided (point 2 above).

When the request exceeds 60.000€:

3. The financial capacity form filled in with the relevant statutory accounting figures, as detailed in the form to be downloaded from https://eacea.ec.europa.eu/creative-europe/funding/tv-programming-2018_en/
4. For commercial companies: **Complete and certified annual accounts** (balance sheet, profit and loss account and the annexes) for the 2 most recent years available
For non-profit companies: **Complete and certified annual accounts** (balance sheet, profit and loss account and the annexes) for the most recent year available
5. *For organisation requesting a grant above 750.000€:* an audit report produced by an approved external auditor certifying the accounts for the last financial year available

At the end of the registration process you will receive the Participant Identification Code (PIC CODE). This code is unique for each company and will be requested in the application form.

If after your registration any information related to your company changes you must update your company details in the portal and upload the relevant new documents.

Each partner intended to be a co-beneficiary of a multi-beneficiary agreement must also obtain a PIC and will have to upload the documents mentioned above under points 1. and 2.
